

Some photographs from the 1973 May Fete
Provided by Carole Ellis

Country dancing on the village green in 1973-Carole's daughter, Linda, is wearing the blue skirt and white blouse. Do you recognise anybody else in the group?

The theme of the 1973 May Fete was 'Countries'. Carole was serving on the 'Young Wives' stall that was representing Egypt. She thinks that the person next to her was Ronnie Veasey. Do you have any photographs of the 1973 May Fete?
